SUMMARY

Full-stack web developer and NIT Durgapur undergraduate with 2 deployed production projects using the MERN stack, WebRTC, and AI APIs. Solved 500+ DSA problems across competitive programming platforms. Seeking a software development internship to apply full-stack and problem-solving skills in a real-world engineering environment.

TECHNICAL SKILLS

Languages: C++, JavaScript, SQL, HTML, CSS

Frontend: React.js, Three.js

Backend: Node.js, Express.js, REST APIs

Databases: PostgreSQL, MongoDB

Tools & Platforms: WebRTC, Socket.io, Git, GitHub, VS Code

AI & APIs: Gemini AI API

PROJECTS

VCall | *React, Node.js, Express, WebRTC, Socket.io, PostgreSQL* | [Live](#) | [GitHub](#)

- Built a full-stack real-time video calling web application using WebRTC for peer-to-peer media streaming and Socket.io for signaling, supporting concurrent multi-user sessions
- Implemented session-based authentication and user management with PostgreSQL, enabling secure persistent user accounts
- Developed responsive React frontend with Express.js REST API backend, achieving sub-second connection establishment for real-time video communication

MediQ | *React, Node.js, Express, MongoDB, Gemini AI API* | [Live](#) | [GitHub](#)

- Developed an AI-powered healthcare web application integrating Google Gemini API for intelligent symptom analysis, delivering context-aware medical guidance in real time
- Built RESTful API with Express.js and MongoDB for storing and retrieving user health queries and full conversation history
- Designed responsive React UI enabling users to describe symptoms and receive AI-generated health insights, reducing average query-to-response time

COMPETITIVE PROGRAMMING

LeetCode: [vansh_101](#) **Codeforces:** [Vansh_101](#) **CodeChef:** [vansh_101](#) **AtCoder:** [Vansh_101](#)

Total Problems Solved: 500+ across all platforms | Topics: Dynamic Programming, Sliding Window, Greedy, Graph Algorithms, Binary Search

EDUCATION

National Institute of Technology, Durgapur

B.Tech, Civil Engineering | **CGPA: 8.95/10**

West Bengal, India

2024 – 2028

ACHIEVEMENTS

CSRL Super 30: Selected among top 30 students statewide in the CSRL Super 30 program

District Topper: Achieved district rank 1 in Class 12, Uttarakhand Board (2023)

CMI Certificate: Communication & Leadership Program, CSRL (2026)

FFE Certificate: English Communication Certificate, Foundation For Excellence (2025)
